

AQUINAS COLLEGE

## **Campus Minister**

(0.4 FTE)

Aquinas College, a Catholic university residential college in North Adelaide, is seeking a part-time Campus Minister to commence in February 2022.

The Campus Minister works with the Rector, Dean, Academic Director, and a student Campus Ministry Team team to foster credibility, engagement and enthusiasm in its mission of evangelisation and care of its young adult community.

The principal responsibilities of the Campus Minister are concerned with spiritual development and pastoral support of students, prayer and liturgy, and community service and outreach.

The position would suit a person of faith and compassion, who understands the lives of university students and relates easily with them, and who can bring imagination and skill to offer young people a pathway to 'life in all its fullness' (cf. Jn.10:10).

Aquinas is home to 180 undergraduate students, mostly from rural and regional areas, who are studying at one of Adelaide's universities. It is governed by the Archdiocese of Adelaide, forms part of the Catholic educational community of South Australia, and draws especially on Marist spirituality and practice to help to shape its identity and mission.

For further information and details on how to apply, please contact the Rector's PA, Stephanie Hamra: [stephanie.hamra@aquinas.edu.au](mailto:stephanie.hamra@aquinas.edu.au)

Applications close: Thursday 9 December 2021.
